### FOR IMMEDIATE RELEASE

#### **In Memory Of KCFD #44 Commissioner Kenneth Seng**

King County Fire District #44 (Mountain View Fire & Rescue)\Black Diamond Fire Department regrettably announces the untimely passing of Fire Commissioner Kenneth Seng.

Kenneth Seng, retired from the Auburn School District, he faithfully served his community in numerous ways including his tenure on the Board Of Commissioners for King County Fire District #44.

Commissioner Seng supported the Department in providing emergency services to the citizens of the district since taking office on January 1, 2004. "His focus was always on the service provided to the Citizens we serve", said Fire Chief Smith. We will miss his leadership, compassion and wit.

"Ken always held the safety of the people in our District as his highest concern", said Board Chair, James Farrell.

Commissioner Seng sat on the Districts Personnel Committee, and created the District's Emergency Operating Fund as a process to set aside funds for future emergencies.

Mountain View Fire & Rescue attended the memorial service with Mr. Seng's family, friends, and colleagues on May 16 in Auburn at the Messiah Lutheran Church.

The Seng Family asks that donations be made to:  
Seattle Cancer Care Alliance  
PO Box 19023  
Seattle, WA 98109-1023
